

DEERHOUND CLUB ASSESSMENT DAY

Saturday, 3rd November 2018

to be held at

The Canine Academy, Tollerton Lane, Tollerton, Nottingham NG12 4GB

The Assessment Day is a formal judging exercise and candidates will judge a class of 5 Deerhounds and submit in writing their class placings and a detailed written critique of all 5 hounds. There will be a little test on the Deerhound Standard.

An experienced independent panel moderator will read the placings and critiques of each candidate to the assessment panel of senior A1 list judges. Each candidate's performance will be evaluated anonymously for merit of placings, detailed accuracy of critiques, justification of placings, and appreciation of breed type and quality. CC judges in other breeds will be expected to achieve a higher level of overall performance! Results of the assessment will not be available on the day, but forwarded to candidates after the event.

We hope to hold the judging session outside – please bring suitable clothes. If the weather is hostile, we will use the indoor space.
