HEART TESTING AT THE BREED SHOW

Saturday, 20th April 2024

We are very fortunate that Dr Emily Dutton BVM&S, DVC, MRCVS can attend the show and once again undertake our heart testing clinic. Deerhounds of any age are welcome to attend the clinic for heart screening. We are continuing with our heart research and need to collect more data from Deerhounds including echocardiograms and Holter monitoring (24 hour) traces. Collecting blood samples for DNA and cardiac markers will also provide valuable data.

Please support heart research by bringing your hounds to this screening clinic. The charges are:

- Initial echocardiogram £120.00
- Repeat scans £100.00
- Hire of the Holter monitor £100.00

These prices are much lower than those charged elsewhere outside our clinic.

To book an appointment or if you have any queries, please contact Sarah Helps well in advance of the show - Tel: 07901 911769 or Email: beardswoodhounds@btinternet.com. Appointments will be given on a first come first served basis. The full cost of the echocardiogram will be payable to The Deerhound Club at the time of booking your appointment. Please note that you don't need to compete at the Show to have your hound(s) scanned and all results will be passed directly to you and held in absolute confidence.

PLEASE MAKE A DONATION TO THE DEERHOUND CLUB HEALTH FUND

DEFINITIONS OF CLASSES

The word "dog" includes both sexes.

Please read eligibility criteria for classes and ensure your hound is eligible for that class

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society. In estimating the number of awards won, all wins up to and including the seventh day before the first closing date shall be counted when entering for any class i.e. **Saturday, 16th March 2024**. First prizes awarded in any classes defined as Special do not count towards eligibility.

16. **Dogs in Vehicles on Hot Days.** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
 - When at the show, never leave your dog in the vehicle.
 - Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
 - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
20. The Committee will be most anxious for the care and safety of the dogs and any other property entrusted to them but it must be distinctly understood by exhibitors and all other persons that the Committee will not be responsible for the loss, detention of, or damage to any dog or other property, whether arising from accident or other cause whatsoever, or for any act or omission of themselves, their officers, agents, servants or others.
21. Any owner, competitor, handler or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
22. The owner, exhibitor, handler or other person in charge of a dog at Kennel Club licensed events must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This Regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
23. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled Judge, this shall not apply to a Judge appointed in an emergency; b) exhibited without payment of appropriate entry fees.
24. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
